ABOUT

Having shot on set for twenty years, I have built up a wealth of experience on both unit and gallery shoots, for films both big and small.

My background in documentary photography and portraiture, having worked for numerous charities throughout the world, lent itself well to the challenges of shooting on movies.

I am also Mum to two children, Tom and Stella, who have often accompanied me along with my husband David, on various adventures around the world on different film sets.

I am currently based in New Zealand, but travel if required.
